Directions for use of Parts Catalogue

1. Applicable model of machines

All component and option parts used for HJ7135 combine harvester are listed in this parts catalogue.

1) MODEL TYPE

Z····· ZOOM AUGER&SWING

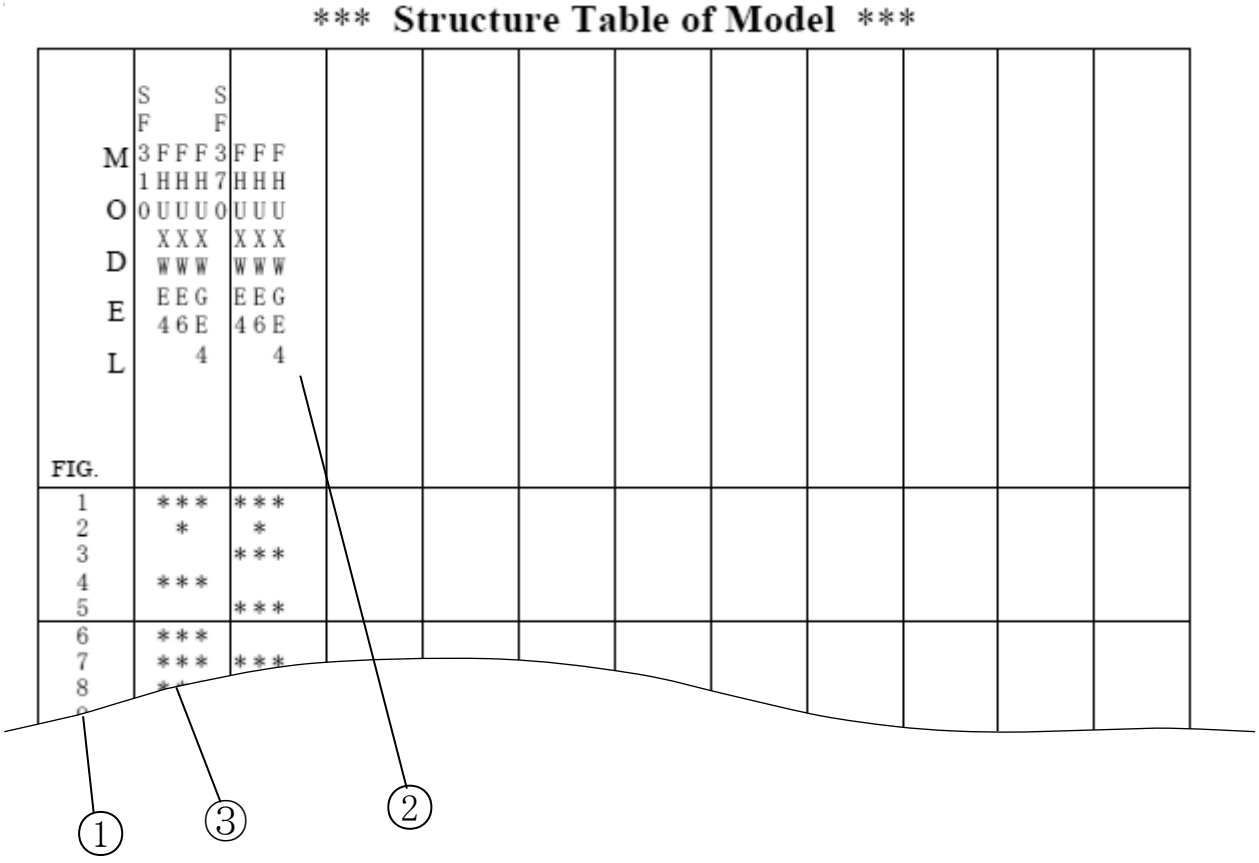

C····· CABIN

LHW····· WIDE CRAWLER

2) AREA CODE

E16····· KOREA

2. Details of the Structure Table of Model

① FIG. : Parts structure of the machine is classified by its functions. FIG. number corresponds to the number written at the top of the parts illustration.

② Model : Shows the name of the model.

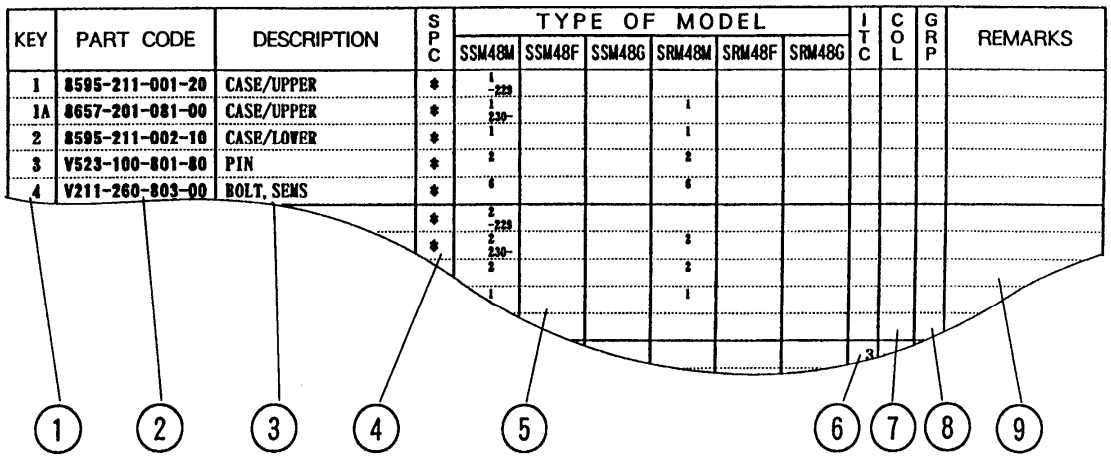

③ Structure Table : Shows which functions are originally equipped or can be equipped afterwards for each machines

`*´ Standard Parts

`T´ Optional Parts

`R´ Repair Parts (parts which can only be used for repairs)

3. Explanation for head paragraph

① KEY shows the location of parts diagramed in the illustration.

② Parts numbers begin with `V´ and `W´ are standard parts of the market.

③ `LH´ and `RH´ on the parts name are described against the moving direction of the machine or are described on the condition how to install parts on the machines.

④ SPC : The following symbol classifies parts to be used for machines.

`*´ means standard parts.

`T´ shows that the parts can be installed as optional parts.

`R´ shows that the parts can be used as applicable parts to replace originally equipped parts.

⑤ Upper column : QTY shows the number of parts to be used for one unit of machine.

`M´ is indicated for parts supplied by a meter long.

` l ´ is indicated for parts supplied by liter.

`AR´ is indicated for parts need to be adjusted or regulated.

Lower column : serial number

－229 means serial number up to 229.

230－ means serial number 230 and after.

⑥ ITC : Interchangeability

`1´…OLD ← NEW

New parts can be used in place of the old parts.

`2´…OLD → NEW

Old parts can be used in place of the new parts.

`3´…OLD →← NEW

Old parts and new parts can not be replaced each other.

⑦ COL : Color code

Color is signified with color code number for colored parts.

Please see the color list shown in the next page.

⑧ GRP : Parts shown in this column can be replaced by SET parts.

Example : Parts marked Ⓐ can be replaced by parts marked Ⓑ, and Ⓓ for Ⓒ, so the rest follow in the same alphabetical order.

⑨ Remarks

＊Other maker's part code number is shown in this column.

＊When Fig. No. is shown in the Remark column of SET parts or ASSY parts, each of their component parts are listed in said Fig. No.

4. Color :

The following colors are used color parts.

COLOR CODE	COLOR	SPRAY TYPE PARTS CODE	PAINTS 4K DRUM PARTS CODE	PAINTS 16K DRUM PARTS CODE
2 H	DYNAMIC YELLOW 2	1300-910-001-20	1300-910-003-00	1300-910-004-00
5 I	SUNSET GRAY	1300-959-001-20	1300-959-003-00	1300-959-004-00
6 G	SUMMER WHITE	1300-958-001-20	1300-958-003-00	1300-958-004-00
7 F	MIRROR BLACK	1300-954-001-20	1300-954-003-00	1300-954-004-00
7 G	HEAT-RESISTANCE PAINT/BLACK	1300-954-001-20	1300-954-003-00	1300-954-004-00

NOTE : Color code is signified only for the parts assigned by the maker as color parts.

5. Serial Numbers :

For chassis&engins serial number is shown on the LABEL.

Please see

6. Parts Order

1) When you order parts, please make sure of correct numbers.
2) When substitute parts is available, the part number ordered will be automatically turned to a new part number.
3) Please be sure to use “ISEKI GENUINE PARTS”.
   Any other similar parts other than ISEKI parts when used may cause a trouble that makes us unable to repair or guarantee the warrant.
